

Essentia® Series Track

LED Beveled Cylinder Track Head

Rev. Date: V9 01/17/2025

Product Description

The Essentia® Series LED Beveled Cylinder Track Heads, available in Soft White 27K, Warm White 30K, and Neutral White 40K, are an excellent choice for applications requiring high-output LED performance for commercial indoor applications like retail, restaurant and hospitality. Available in white and black polyester powder-coat finish, these track heads deliver 2250 lumens of beautiful light at 80 CRI and an adjustable beam spread from 18° - 50°. Save time and installation by rotating track heads instead of switching tiny reflectors in and out. Compatible with 1-or 2-circuit track from Essentia Series Track, Juno "T" and TU Series track systems.

These track heads are durable too, made with die-cast aluminum housing and backed with a 3-year limited warranty and an estimated 50,000 hours of maintenance-free operation; an excellent choice for your next track project.

Applications: High-output LED track ideal for commercial indoor applications like retail, restaurant and hospitality.
