

# Essentia® Series Track

Low Profile Lampholder - Line Voltage

Rev. Date: V9 08/16/2024

## Product Description

The Essentia® Series Low Profile Lamp holders are ideal for general purpose track lighting in indoor commercial, retail, or industrial applications. The lampholders are designed to fit PAR20, BR30, PAR30, and PAR38 lamps (by others). The housing is high strength injection molded polymer, and is available with white or black finish. The lampholders are compatible with 1- or 2-circuit track from Essentia® Series and Juno® "T" and "TU" Series track systems. The Essentia® Series low profile line comes with a performance 1-year limited warranty.

**Applications:** General purpose track lighting for indoor commercial, retail or industrial applications

## Performance Summary

**Lamp Compatibility:** PAR20 Max. 50W; BR30 Max. 65W; PAR30 Max. 75W; PAR38 Max. 100W (by others)

**Track Compatibility:** Essentia Series "CT" track systems, and Juno® "T" and "TU" Series track systems only

**Weight:** 0.6 lbs. (0.27kg)

**Limited Warranty:** 1 year
