

# Essentia® Series Track

LED Mini Cylinder Track Head

Rev. Date: V7 05/22/2023

## Product Description

The Essentia® Series Track 9W 850 Lumen LED Mini Cylinder Track Heads, available in Warm White 30K and Neutral White 40K, are an excellent choice for applications requiring high-output LED performance for commercial indoor applications like retail, restaurant and hospitality. Available in white and black polyester powder-coat finish, these track heads deliver 850 lumens of beautiful light at 80 CRI and an adjustable beam spread from 18° - 50°. Save time and installation by rotating track heads instead of switching tiny reflectors in and out. Compatible with 1-or 2-circuit track from Essentia Series Track, Juno "T" and TU Series track systems. These track heads are durable too, made with die-cast aluminum housing and backed with a 3-year limited warranty and an estimated 50,000 hours of maintenance-free operation; an excellent choice for your next track project.

**Applications:** High-output LED track ideal for commercial indoor applications like retail, restaurant and hospitality.
